On 25/01/2022, Mr. Mathews presented with fever, sore throat, headache, tiredness and joint pain. Additionally, he complained of rash on his trunk, limbs and genitals. On examination, his temperature and pulse were found to be high at 101 and 90, respectively. In addition, pinkish symmetrical non-itchy maculopapular rash was noticed on his trunk and extremities as well as painful swollen fingers. Consequently, blood tests were ordered.
